

## Ghostly Tales

Four spine-tingling short stories from masters of the genre, read by Michael Maloney, Eleanor Bron, and Andrew Sachs. In *The Phantom Coach*, by Amelia B. Edwards, a young man lost on the moors in a snowstorm takes refuge in a lonely farmhouse. Anxious not to be stranded overnight, he makes a fateful decision. *The Tapestry Chamber* by Sir Walter Scott sees General Browne visiting his old friend Lord Woodville in his picturesque castle. But Browne's night in the tapestry chamber is not to be a pleasant one. *The Judges House* by Bram Stoker finds Malcolm Malcolmsen searching for a quiet place to study for his exams. His choice of an isolated house previously owned by an evil hanging judge is to have terrible consequences. Finally, in *The Man of Science* by Jerome K. Jerome, the hate of one man and the fear of another lead to a dreadful revenge. These four classic tales from the golden age of the ghost story are sure to induce a frisson of fear. This work is part of Brilliance Audio's extensive Classic Collection, bringing you timeless masterpieces that you and your family are sure to love.
