

The man who was Thursday: A nightmare /by G.K. Chesterton

In THE MAN WHO WAS THURSDAY, hero Gabriel Syme is recruited to a secret anti-anarchist taskforce at Scotland Yard. Syme persuades an anarchist, Lucian Gregory, to lead him to the local anarchist cell, where after a convincing speech he is elected as the cells representative to the worldwide council of anarchists composed of seven men, each using the name of a day of the week. As Syme and his allies worm their way into the organization, he discovers that reality is not as it has been perceived. Gilbert Keith Chesterton (1874-1936) was a British author, philosopher, and Christian apologist. He wrote a number of influential religious works including THE EVERLASTING MAN and ORTHODOXY. He was also an accomplished fiction writer, penning the acclaimed FATHER BROWN series of mysteries.
