It tells the story of an aspiring scientist who goes from a small Midwest town to the highest levels of the scientific community. Masterfully written and utterly engaging, *Martin Arrowsmith* is recommended for the discerning reader, and is a must-have for collectors of Lewis's work. It was awarded the Pulitzer Prize in 1926, but Sinclair Lewis refused to accept the award. Harry Sinclair Lewis (1885 - 1951) was an American novelist, short-story writer, and playwright.
