The Definitive Edition of THE MILL ON THE FLOSS -Illustrated with beautiful vintage illustrations and other historical material from the life of George Eliot -Complete, unabridged, and formatted for kindle to improve your reading experience -Linked table of contents to reach your chapter quickly One of the 1000 novels everyone must read The Guardian Upon completion of the The Mill on the Floss, I realized that I had just finished something monumental a staggeringly amazing literary achievement. Christopher H The Mill on the Floss is funny and moving and philosophical. Eliot does so many different things well; shes witty and detached, and then she writes a love scene that makes your knees go wobbly. Middlemarch struck me the same way - its incredibly romantic, and then it does things with that romance, crazy thematic plot things, that sometimes make you feel like the author has punched you in the stomach. Becky Driven by passion, intelligence and imagination, Maggie Tulliver is a rare free spirit in the convention-bound world of Victorian rural society. BBC THE MILL ON THE FLOSS is one of the most profound and engaging love stories of all time. Presented in a beautiful edition specially designed for kindle, this is George Eliots masterpiece which will stay with you forever.
