

## The Reckoning

The authors intention is to treat, in a series of four or five romances, that part of the war for independence which particularly affected the great landed families of northern New York: the Johnsons, represented by Sir William, Sir John, Guy Johnson, and Colonel Claus; the notorious Butlers, father and son; the Schuylers, Van Rensselaers, and others. The first romance of the series, Cardigan, was followed by the second, The Maid-at-Arms. The third in order is not completed. The fourth is the present volume.
