

## Pilgrims Progress: (Forgotten Books)

Book Description: Pilgrims Progress is an allegory of a Christians journey (here represented by a character called Christian) from the City of Destruction to the Celestial City. Along the way he visits such locations as the Slough of Despond, Vanity Fair, the Doubting Castle, and the Valley of the Shadow of Death. Bunyan, the author, had very little formal education and a humble background. Nonetheless Pilgrims Progress is considered one of the masterpieces of English literature, and is required reading for Christians who are on the spiritual path in a world of temptations.
